Support student success and program excellence

LET'S BUILD A LEGACY OF IMPACT—TOGETHER

It's a pleasure to introduce myself and extend an invitation to join us in supporting student success and program excellence at Clark College.

As the Associate Vice President of External Relations, I lead our community engagement, alumni relations, and communication and marketing efforts. In this role, I have the privilege of witnessing the powerful impact that strong partnerships have on our students, our programs, and the broader community we serve. I'm passionate about building bridges between Clark College and the individuals and organizations who believe in the power of education to transform lives.

Clark College Foundation is dedicated to advancing the mission of Clark College by securing resources that support scholarships, cutting-edge programs, and inclusive learning environments. Through this sponsorship packet, you'll discover how your organization can play a vital role in this mission.

Becoming a sponsor is more than a financial contribution—it's a meaningful investment in education, equity, and the long-term vitality of our region. Your support empowers students to pursue their goals, strengthens our workforce, and helps alumni stay connected, engaged, and inspired. Through your partnership, students and alumni gain access to experiences and connections that build on their potential—equipping them to grow, lead, and succeed long after their time at Clark College.

We invite you to explore the enclosed sponsorship opportunities and consider how your support can make a difference. In addition to making an impact, your organization will be highlighted as a partner in this meaningful work. Together, we can empower students, strengthen programs, and build a brighter future for our community.

Thank you for your time and consideration.
